

EP PerMed: Where we are today

Now is the time to support EP PerMed - national as well as regional support is needed

This event will tell you:

- How you can support EP PerMed
- What you can get out of it
- How you can get more information

Disclaimer

This information day is organised jointly by ICPerMed and ERA PerMed, initiated by the ICPerMed/ERA PerMed Preparatory Group and with the valuable input of the ICPerMed Family Regional CSAs: Regions4PerMed and SAPHIRE.

The event does not represent the official kick-off of the EP PerMed preparations.

All documents presented at this event are prepared by ICPerMed/ERA PerMed. Valuable input was received from the European Commission (EC) but none are official EC documents
